Be sure to add the **Mohawk website** to your list of favorites so that you will have quick access to some of the finest products available for touch-up, repair and refinishing.

## Feature Products

### Quick Fill™ Burn-In Stick

**Quick Fill™ Burn-In Stick** is an innovative Burn-In Stick that makes filling defects quick and easy. It's designed to fill nicks, dents and scratches. It's the perfect filler for cabinetry, vinyl wrapped products and photo processed laminates. Quick Fill™ can be applied using a simple heat source and leveled without the use of burn-in knives or sandpaper. (This means you won't burn or sand through the existing finish).

#### **Advantages:**

- Low sheen
- Quick and simple application

- Simple tools - heat source and plastic card
- Simple to learn and master
- Perfect for production workers, field service technicians and cabinet installers
- 36 Stock colors
- 4 Assortments
- Custom colors available

## Micro Therm™ Flameless Heat Gun

The Micro Therm™ Flameless Heat Gun is a hand held self-igniting flameless heat gun and is powered by a refillable fuel cell. The Micro Therm™ is the perfect heat source for the Quick Fill™ Burn-In Stick.

- Hand held
- Automatic electronic ignition
- Patented safety lock
- Produces 1300°F flameless heat
- Refillable fuel cell - disposable butane lighter
- Compact ergonomic design
- Butane not included

## Wood Kit Revisions

Mohawk's NEW Wood Kits are here! Mohawk's Wood Kits have been designed with you in mind. Whether you do touch up at the customer's home, on the production line or in the backroom of the furniture store, we have the kit for you. Our four new kits are filled with a variety of our easy to use touch-up products, such as our **Pro-Mark™ Markers**, **Ultra™ Mark Markers**, **Fil-Stik™ Putty Sticks**, **E-Z Flow™ Burn-In Sticks**, new Quick Fill™ Burn-In Sticks, **Blendal™ Sticks**, and our **aerosols** along with different **sandpapers** and other tools to complete your repair. Each of the 4 new kits have been designed and carefully assembled with your touch-up needs in mind. All kits are packed in a

handy case with a pull up handle and wheels that you can easily transport to job sites or various areas on the shop floor.

The new kits are:

## Feature Website

### Michael Humphries Woodworking

This quarter's feature company is **Michael Humphries Woodworking**. Michael

Humphries was born in Pennsylvania and attended Haverford College and the University of Massachusetts, Amherst. Upon graduation, with emphasis on the visual arts, he worked in creative video production. In 1974 he changed his profession and returned to woodworking. Since then he and his employees have maintained a woodworking studio full time in the hills of western Massachusetts. He

currently resides in Warwick, Massachusetts. The primary focus of his work has been to understand the functional needs and design considerations of his clients. Since 1975, in a small barn workshop in western Massachusetts, Michael Humphries has produced fine furniture, cabinetry and architectural millwork. As Michael Humphries Woodworking has grown over the years to more sophisticated shops and machinery, he has gained a staff of skilled craftsman with decades of experience. His staff can work from their designs or yours, to create unique projects on any scale. Michael and his staff can build entire rooms of wall cabinets,

single pieces of furniture, jewelry boxes and staircases. They strive to mix form and function into a work of art that you, your family, or your company can enjoy and use for a lifetime. Michael Humphries Woodworking goes beyond the obvious.

Some of the products being used by Michael and his staff are:

- **Ultra™ Penetrating Stains**
- **Ultra™ Mark Markers**

Michael Humphries Woodworking has been featured in many publications for his designs. Be sure to visit Michael Humphries Woodworking at **www.michaelhumphries.com**.

## Technical Tips

### Frequently Asked Questions or Ask The Expert

If you have any questions or need advice for your project, contact our Expert by clicking on the links above.

### Quick Fill™ Burn-In Stick

#### Applications for the Quick Fill™ Burn-In Stick

- Fills gouges
- Fills dents
- Fills drag marks
- Fills scratches
- Fills chipped edges

#### Quick Fill™ Burn-In Stick tips

When filling a gouge:

- Heat the Quick Fill™ Burn-In Stick until shiny or molten
- Rub into the defect using moderate pressure at first
- As the defect becomes filled, then rub with light pressure

When leveling a Quick Fill™ Burn-In Stick

- Drag the edge of a Mohawk leveling card over the Quick Fill™ Burn-In Stick
- Hold the card at a 50 degree angle using light pressure

- As the Quick Fill™ Burn-In Stick becomes level, increase the angle of the card and increase the pressure that you are applying to the card

## Let Mohawk Finishing Products Train You

Mohawk provides professional wood and leather touch-up, repair and finishing training workshops throughout the United States.

It's important for you to know that our instructors have many years of experience in the wood finishing industry and the leather industry as well as many years of training experience. They are also the type of individuals who take pleasure in helping people learn. You'll find each one supportive and proud to have the privilege of being your teacher. We will do everything possible to make these courses informative and profitable for you, whether you are a beginner planning to start a new career or an old pro looking for a few new tricks.

Mohawk Finishing Products offers:

- **3 day Wood Touch-Up and Repair Workshop**
- **2 ½ day Leather Care, Touch-Up Repair and Refinishing Workshop**
- **2 ½ day Professional Finishing Workshop**

To make these classes more cost effective to you, Mohawk offers discounts for early registration and multiple registrations.

- **Register 30 days in advance and save \$20 off on the registration fee per student.**
- **Register two or more students and save \$10 per student.**

Call your Account Representative or Customer Service today to find out more about our workshops. Remember to register early because they can fill quickly. To find a workshop that fits your needs and your schedule **click here**.
